Report of the Executive Director

Monitoring Requirements Annual Status Report

1. Recommendation

1. That the Board receive the Monitoring Requirements Status Report attached as Appendix A.

2. Summary

Section 31(1)(c) of the *Police Services Act* requires a Board to establish policies for the effective management of the police, and section 31(1)(e) requires a Board to direct the Chief and monitor his or her performance. The Board is committed to fulfilling its statutory obligations through strong oversight mechanisms and governance practices.

Appendix A contains a list of reports that were submitted to the Board in 2020 for the Board to fulfill its monitoring responsibilities. The document sets expectations about the type of report and the schedule of reporting. It assists the Board in meeting its legislative obligations to monitor and oversee aspects of the police service such as the police budget and other financial accountabilities, administration of the public complaints system, and the achievement of Business Plan objectives, as well as compliance monitoring required under the Adequacy Standards Regulation and other policy and legislative requirements.

Included in the attachment is a column indicating the reason why each report is required; in most cases they are required under the Police Services Act, the Province's Adequacy Standards Regulation, or Board policies. Also included is a "Status" column to record any delays in submitting a report, the reasons for the delay, and the new date on which the report will be submitted.

3. Reporting Requirements

The Executive Director reports to the Board annually on the status of the reporting requirements.

4. Financial

There are no financial implications associated with this report.

5. Conclusion

The Monitoring Requirements report sets out clear expectations for the Chief of Police and the Board with regards to reporting requirements.
