27 YEARS OF POLICE APPRECIATION NIGHT

For nearly three decades, Police Appreciation Night (PAN) has brought together members of the community to celebrate the achievements of our police service.

The annual dinner also highlights the good work being done each and every day by members of York Regional Police. Awards include Professionalism in Policing, Garrett Styles Bravery in the Line of Duty and Rob Plunkett Outstanding Service to the Community. Also presented annually are the Herbert H. Carnegie and the Leo McArthur Civilian Recognition awards. We will also hear from our grade five winner of the Police Chief for a day contest.

Since the event's inception, a dedicated group of community volunteers has worked to support our police service by raising close to \$2 million in support of YRP programs and equipment.

This annual event draws more than 1,000 guests, including business leaders, all levels of government, community partners and police professionals.

OUR VISION FOR 2023

JOIN US:
MAY 11, 2023
THE TERRACE
BANQUET HALL

Making a difference in our community drives the work York Regional Police members do every day. We are incredibly proud of the work our police officers and civilian professionals do in our communities, whether it's working to assist victims of crime, children needing an opportunity or seniors that need support.

Join us as we celebrate all the ways York Regional Police makes a difference. Together, we will recognize exceptional people making a positive impact in our community. This year we will also raise funds to assist victims of crime through our partnership with Victim Services of York Region and the programs we support every day.

Victim Services of York Region (VSYS) strives to be a leader in service delivery excellence through professional, knowledgeable, confidential, honest and compassionate approach to persons victimized by crime or tragic circumstance. VSYS believes that every person experiences the impact of a crime or tragedy in a unique way and that each individual needs a safe, secure, caring, inclusive, supportive and non-judgmental environment to share these experiences.
