ABOUT YELLOW BRICK HOUSE

2023 marks our 45th anniversary! Since its inception, Yellow Brick House has empowered 141,000 women and children to rebuild their lives. Last year we served 5,847 women and children, provided 26,331 counselling and court support hours, and had 233 women and children stay in our emergency shelters.

Yellow Brick House provides life-saving services and prevention programs to meet the diverse needs of individuals, families, and communities impacted by violence. Since the pandemic, domestic violence has increased by 30%. It has never been more vital to provide these services to women and children in our community.

Yellow Brick House operates two emergency shelters in York Region, providing a safe and secure refuge. With our community's help, we provide women and children with the resources and supplies they need. This includes nights of safety, food, clothing, and support through our various programs, such as counseling and legal support.

Become an event sponsor, and help save lives!

The 18th annual Yellow Brick House Virtual Gala offers customized sponsorship opportunities, including:

- Partnership with an established and respected charity
- Advertising and delivery of branded materials directly to key decision makers and business owners
- Business exposure within York Region and GTA

With your help, funds raised at the 2023 Yellow Brick House Gala will support nights of safety, which cost \$150 per woman or child per night. In our safe and supportive shelters, women and children receive crisis counselling, court support, and assistance with financial and housing supports.

Give women and children the skills, resources, and hope they need to rebuild their lives with courage and confidence.
